

Plan B

Backprozess-Optimierung

Klimahaube!

Protects the dough pieces from skinning and improves proofing in the rack trolley.

Klimahaube!

- The breathable material maintains an ideal climate.
- Air can circulate and improves proofing in the rack trolley.
- The surface of the dough remains tender, skin formation is avoided.
- The side section can be opened to allow individual planks or trays to be removed.
- Material is durable and washable.
- The edges on the top are double reinforced and the corners are triple reinforced.
- The hood can be easily folded and stored in a place-saving way.
- Dimensions for standard formats:
58/78: 67 x 83 x 170 cm
58/98: 68 x 101 x 170 cm
The dimensions can be customized!
